Dear Cousin—
Your letters and package reed. Was glad to hear from you and I think the bloomer are real nice & reed them the first of Feb. We sure are having a lot of cold will be so glad when it is over I have been quite ill but am up but not out yet.
Dr Wassen's son married sunday last a Miss Deal. he met her since moving here. (how's that for the west) ha ha
I dont believe I ever told you about

my sister Agnes marrying last July and moving to Los Angelus Cal.

Cousin J. C. ~~this~~ I am telling you just how the post Package I rec'd was. The notice was left at 1111 N Stevens and Mrs Stewart found it in the box and brought it to me. I then went to the P. O. for the package, which they gave to me. it was so light and ~~having~~ being torn so badly I ask the postmaster or the man at the window to open it. for I thought it was empty. he did and it had nothing but your cards in it. I am so sorry you have had so much truble about them.

we are looking for you this spring

Best regards to all.

I remain

Mrs A M Harryman
